Convenor: Marie Donald

🌸 *Message from the Convenor*

Here we are already at October which is time to send out Renewal/New Member forms for 2015 which you will find enclosed. Please renew in support of the continuation of the Gallery.

Our October Coffee Morning is in Seniors Week and we want to feature our citizens who have supported the Arts throughout their lifetime. See in the notice below of our Coffee Morning.

🌸 *Friends' Coffee Mornings - First Monday of each month at 10:30 am*

Monday Sept 1 - Sogeri School 70 years old - Marj in PNG

Our September Coffee Morning was very well attended, perhaps the largest attendance for several years.

Marj gave us a pictorial account of the 70th Anniversary Celebrations of the notable Sogeri National High School on the plateau which is this end of the Kokoda Trail.

Seventy years ago, the Australian Government built a school on the site that had been the Convalescent Depot for injured soldiers of the Kokoda Trail battles.

🌸 *Next Coffee Morning:*

Monday, Oct 6 - Seniors Memorabilia

As our October Coffee Morning falls in Seniors Week we will take the opportunity for an event featuring our members and their love of the Arts, both visual and performing.

Please bring along something you have retained over the decades that you have knitted, sewn, crafted, painted, sculptured, attended or performed in etc. If you have discarded all of your creations ask your grand children for an item to bring along.

Everyone will have a chance to tell the story of their piece.

At next Monday's gathering you will get an update from the Gallery's future from the Steering Committee set up by the Monash Council.
