Newsletter April - May 2014 Convenor: Marie Donald

Message from the Convenor

As our Editor will be overseas for 3 weeks from mid April this Newsletter is for 2 months, April and May. I suggest that you put all dates in your diary, especially our May Exhibition which will feature our mothers. You will remember our 'Thanks Mum' Exhibition in 2010 which created a lot of interest. 'Mama Mia!', this May has been inspired by the 'Friends' 2010 event. It will, however, have a different approach as explained on Page 3 of this Newsletter.

Friends Coffee Mornings - First Monday of each month at 10:30 am **Reports – Mon, Apr 7 Kimberley Hughes, and her Academic Studies**

Kimberley Hughes will be our speaker in April. Most of you will remember Kimberley as she spent a lot of hours each week, from late 2011 to Feb 2013, working as a Volunteer and then Administrator at the Gallery and always gave you a warm welcome when entering. At the time she was studying for a Master of Arts and Cultural Management at the University of Melbourne.
